

Pharmacy Staffing

The need for pharmacists and pharmacy technicians has never been higher, and experts believe demand will continue to rise due to the rapid aging of the US populations and need for pharmacy services among older people.

AMN Healthcare provides healthcare organizations throughout the country with temporary and permanent staffing of pharmacists and pharmacy technicians, as well as total talent solutions to help solve challenges on an enterprise-wide level. AMN experts, supported by the nation's largest network of healthcare professionals and most-advanced technology platforms, have extensive experience in pharmacy staffing and finding the right healthcare professionals who match your needs and your organizational culture.
