Translation Linguist Onboarding Process

✓ Timed Test

Initial linguistic evaluation process includes a timed test, evaluated by a qualified linguist using the most appropriate industry content and/or application for required area of specialization.

✓ Database Monitoring

New linguists are added to the database, evaluations are performed on their initial projects by editors who are fully qualified per our qualification process.

✓ Vertical Qualification

Evaluations must be passed in order to be considered fully qualified in the healthcare vertical.

✓ Supplier Agreement

All vendors must sign and agree to our Supplier Agreement before any work is offered to them.
