

2014 marks the 21st year Merritt Hawkins has released its annual review of physician and advanced practitioner recruiting incentives. Now used as a benchmark throughout the healthcare industry, the review highlights current and emerging trends in physician recruiting nationwide.

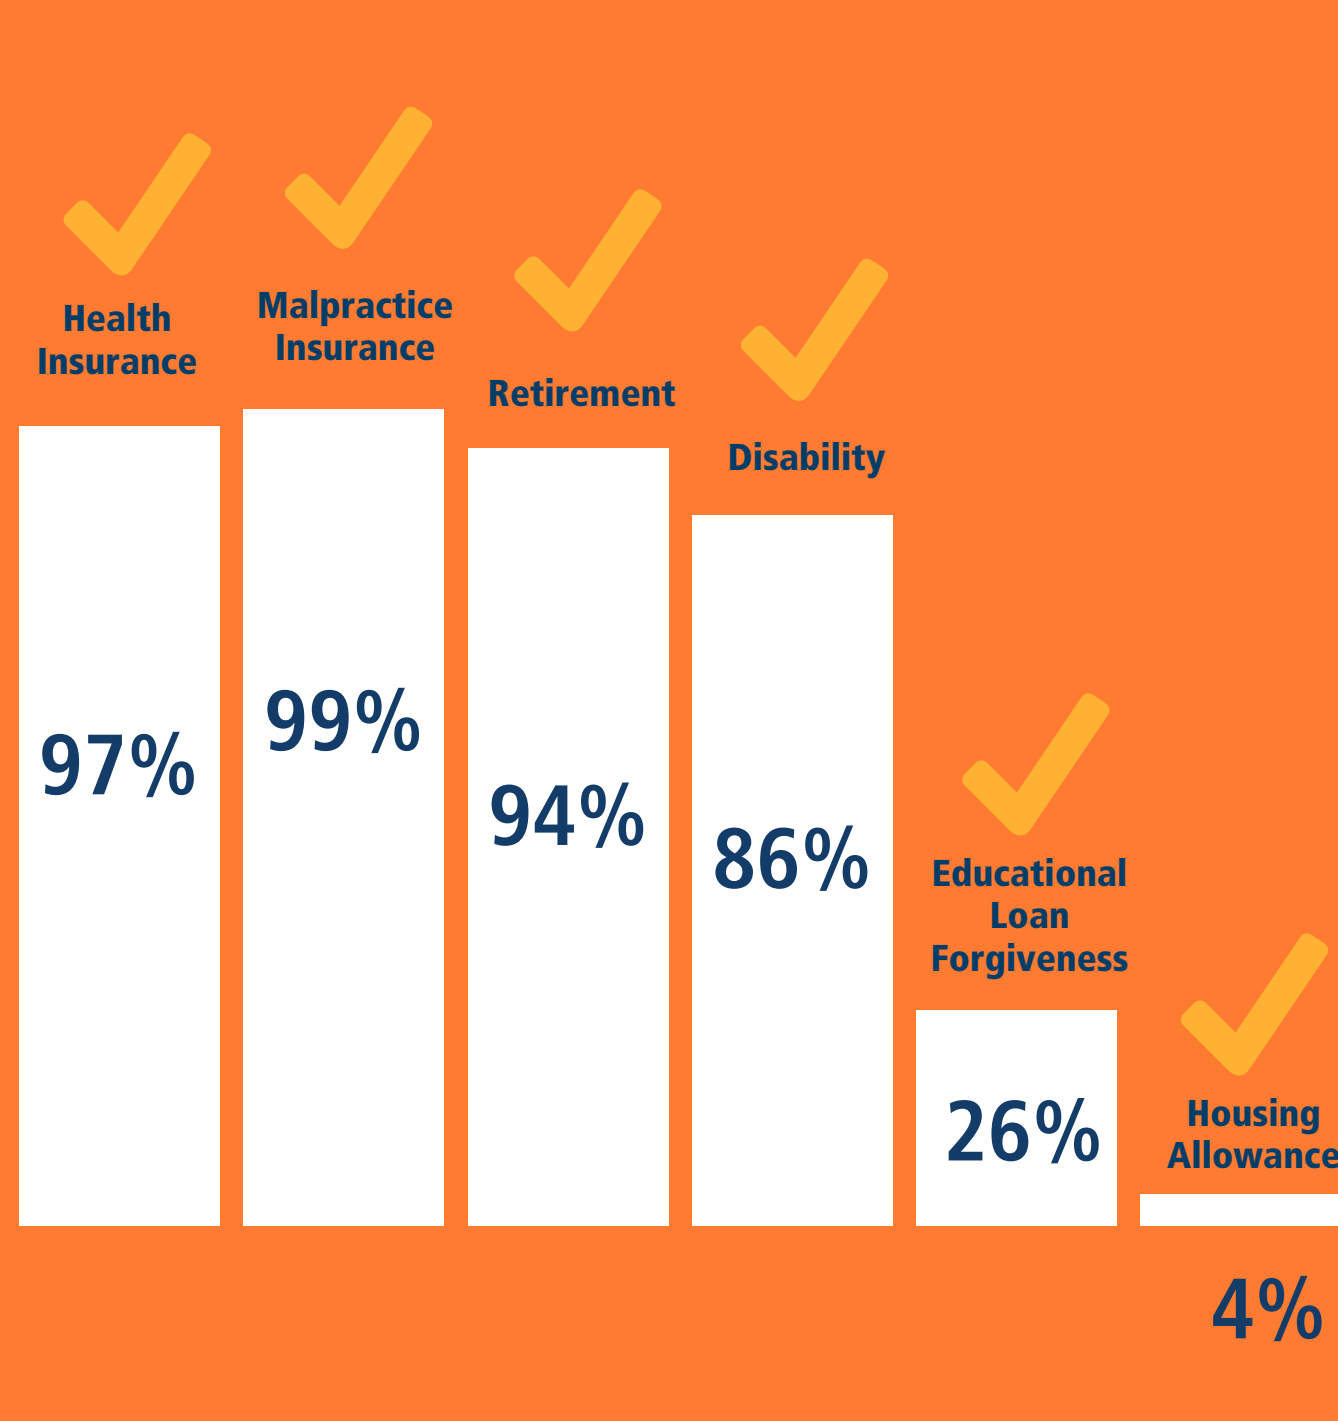

TOP 10 MOST IN-DEMAND

MEDICAL SPECIALTIES AND AVERAGE STARTING SALARIES

BENEFITS & PERKS

The Review identifies the benefits/perks most commonly offered to physicians by hospitals, medical groups and other healthcare facilities.

HOSPITAL EMPLOYMENT AND SOLO PRACTICE

Merritt Hawkins' Review indicates the percent of newly hired physicians who are employed by hospitals and those who are in solo practice.

Physicians Employed By Hospitals

Physicians In Solo Practice
