Healthcare News

How Millennials Will Change the Healthcare Workforce

The Millennial generation will account for half of the workforce by 2020 & 75% by 2030. Their expectations, beliefs & culture, like those of generations before them, will no doubt have an impact on the workplace & that includes the healthcare industry.

Reducing the Nursing Shortage by Taking Residency & Fellowship Programs to the Next Level

As the American population ages and needs more healthcare, waves of nurses retire, and a growing number of newly insured patients enter the healthcare system, the worsening nursing shortage will remain a major healthcare challenge.
