

# Open Talent Marketplace for Emergency Staffing

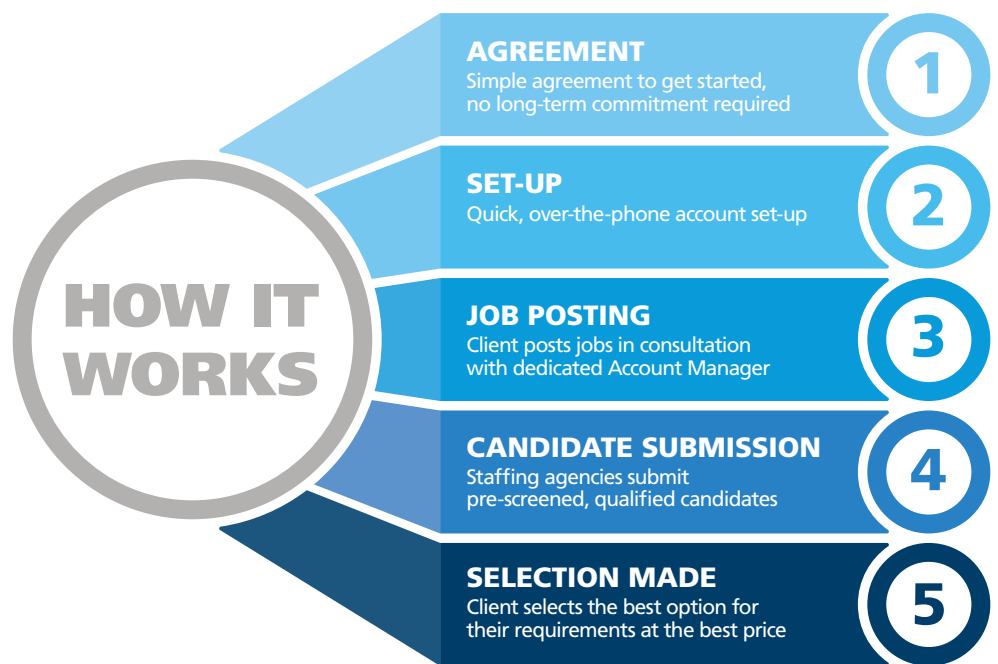

Immediately fill all your healthcare staffing needs through our open, competitive marketplace

## What is it?

In today's environment you need access to a wide pool of agencies and talent to meet critical clinical and non-clinical needs.

The AMN Open Talent Marketplace is our easy-to-use digital talent platform, and is the single source for healthcare facilities and their leaders looking for the right talent to fill critical staff positions. Here's how it works:

- No cost to healthcare facilities
- Talent needs are submitted simultaneously to our vast network of over 900 approved agencies through our open, bid-driven marketplace, ensuring you always pay fair market rates
- Agencies submit pre-screened, interested and available candidates, matched to your specific criteria, speeding time to fill
- Hiring Managers review, select, offer and on-board desired talent, all in one interface
- All candidates are fully credentialed prior to start

## Easy Set-up and Implementation

- Account setup is completed over the phone – typically in 30 minutes
- Training and world-class customer support are provided, so you can get up and running immediately
- Our contract is a simple EULA click-through; once completed, you can post jobs immediately
- Our implementation team audits and completes the implementation

## Features and Benefits

- 24/7 on-demand access to the single largest pool of healthcare talent suppliers in the United States
- Fast, crowd-sourced compliance to keep up with demand
- Standardized credentialing process
- Time-tracking management
- User-friendly interface and dashboards
- Simple, focused reporting
- Supplier-funded marketplace; No cost to the facility
- Elimination of multiple supplier phone calls and emails
- Ability to reach a larger candidate pool
- Flexibility to choose your desired suppliers and candidates
- Greater efficiency
