What makes AMN Healthcare Revenue Cycle Solutions Different?

Unparalleled Customer Service

Exceptional customer service comes from a corporate culture that values employee education and fosters growth within the company. The mission is what motivates our team, and they pass that same enthusiasm on to our clients.

Unique Consultative Approaches

Our client relationships are the backbone of our company. We work with each client to create a customized approach, ensuring that the specific needs of that organization are not only met, but exceeded.

Customizable End-to-End Solutions

By offering coding, clinical documentation, case management, oncology data, and registry solutions, we can create a personalized group of services that will grow with a client's healthcare business.

Accountability, Innovation, and Integrity

Standing behind our work, finding creative solutions, and committing to what we say are values we encourage and spread generously to every client we serve. There's only one way that works for our clients to reach success, and that's always to do things the right way—the AMN Healthcare way.

Full Education Opportunities

We provide pre-employment evaluations for reduced hiring costs, coding practice tools to build real experience, and educational tools to increase and refresh each client team's skill sets and knowledge base.

Exceptional Cost to Value

As the leading national provider of revenue cycle and workforce solutions, our partnerships are designed to generate and preserve revenue. Our dedicated commitment to high-quality and high-value service helps our clients get there.
