Revenue Cycle Solutions

Peak Performance™ Managed Model

When you turn to AMN Healthcare to manage your revenue cycle needs, nothing matters more to us than matching you with the right services. We start with a comprehensive assessment to detail what you need. We examine current operational costs, human capital, existing gaps, and performance metrics. Everything we learn forms your unique roadmap.

Let AMN Healthcare Manage Your Revenue Cycle

Appropriate expertise in Healthcare Information Management (HIM), Clinical Documentation Integrity (CDI), Coding, Auditing, Case Management, Oncology Data Management (ODM), and Registry services are chosen to meet your specific needs.

With experts in all hospital and professional fee work types, including the highest acuity settings, AMN can provide invaluable insights where you need it most.

Exceptional Professionals and Performance Excellence

The people of AMN are what set our managed model apart. Our credentialed professionals are some of the best in their respective fields, and because of their dedication, we've been recognized as the Best in KLAS Category Leader for Outsourced Coding multiple times.

We take care to match you with experts familiar with your environments. The team that manages your revenue cycle needs has to fit with how you work and understand your systems.

As a part of our dedication to excellence, we also believe in the growth of our experts. We invest heavily in training and continuing education of our extensive network of team members so that they can provide you with the highest quality work.

Proactive Quality Assurance with AMN

We work with your HIM leadership to outline quality policies and performance metrics unique to you. These guidelines establish cooperation and accountability standards we agree upon together.

Quarterly performance reviews focused on quality, compliance, and production let us explore how things are progressing. These sessions also help us adapt to meet your changing requirements and needs. Between the quarterly reviews, rigorous performance monitoring and feedback help us monitor production and provide you with full transparency.

All of our managed model steps are designed to make partnering with AMN a seamless transition. Our goal is to be your constant, trusted source for revenue cycle expertise to minimize compliance risk, drive reimbursements, and reach your Peak Performance™.

What makes AMN Healthcare Revenue Cycle Solutions Different?

Unparalleled Customer Service

Exceptional customer service comes from a corporate culture that values employee education and fosters growth within the company. The mission is what motivates our team, and they pass that same enthusiasm on to our clients.

Unique Consultative Approaches

Our client relationships are the backbone of our company. We work with each client to create a customized approach, ensuring that the specific needs of that organization are not only met, but exceeded.

Customizable End-to-End Solutions

By offering coding, clinical documentation, case management, oncology data, and registry solutions, we can create a personalized group of service that will grow with a client's healthcare business.

Accountability, Innovation, and Integrity

Standing behind our work, finding creative solutions, and committing to what we say are values we encourage and spread generously to every client we serve. There's only one way that works for our clients to reach success, and that's always to do things the right way—the AMN Healthcare way.

Full Education Opportunities

We provide pre-employment evaluations for reduced hiring costs, coding practice tools to build real experience, and educational tools to increase and refresh each client team's skill sets and knowledge base.

Exceptional Cost to Value

As the leading national provider of revenue cycle and workforce solutions, our partnerships are designed to generate and preserve revenue. Our dedicated commitment to high-quality and high-value service helps our clients get there.
